

GIVE KIDS A HAND GRANT APPLICATION

East Lake Washington District of Garden Clubs

2012

Goal: To support student activities in gardening, horticulture, landscaping or the environment. Funds may be used for plants, supplies, equipment or enrichment opportunities.

Name of School _____

Mailing Address _____

School Phone _____

District _____

Teacher/Parent Responsible for Grant Activity:

Name(s) _____

Phone _____

Email _____

Grant Application Requirements:

Submit a written statement explaining the project, timeline, budget and how funds would be utilized (attach up to 2 pages). Please address all of these items as they are each important in determining grant awards. ***Deadline: March 26, 2012.***

If Your School is Awarded a Grant:

At the conclusion of the project, the teacher responsible is asked to submit a report with photographs (digital preferred) on how the funds were used. The images may be used by the District for fundraising efforts for this program.
